Renee Chang

reneechang177@gmail.com

Education

Expected Graduation: May 2022

Walnut High School, Walnut, CA
GPA: 3.94, IB Diploma Program

Experience

October 2020- Present

Research Intern (PI: Dr. Yin)
Remote, UCLA

- Learning how to analyze VCF and sequencing data generated by sci-L3
- Helping to analyze the effects of the deletion of sgs1 on mitotic recombination in yeast

July 2019- August 2019

Cancer Research Intern
Shuangho Hospital, Taiwan

- Performed biopsies and helped culture cancer cells
- Did biochemical assays and Western Blotting to analyze protein expression

Awards

2020
- Top 60 United States Biology Olympiad

2019, 2020
- United States Biology Olympiad 2-time semifinalist

2019, 2020
- 1st and 2nd place Designer Genes in Science Olympiad

2019, 2020
- 2nd and 5th place Protein Modeling in Science Olympiad

2019
- British Biology Olympiad gold medalist

Additional Skills

- Languages: English, Chinese, Spanish
- Basic knowledge of Unix and Python
- Proficient in Western Blotting, Cell Culturing, and qPCR
